

# Bilby Ear Crown

Print our Bilby Ear Crown template onto thin card stock.

Get creative and decorate using your **PILOT Pintor Paint Markers** and a bunch of patterns and your imagination! Once you're happy with your art, carefully cut out the crown and side bands along the outlines.

Glue or tape the tabs to the sides of the Easter Crown. Measure your head circumference and tape the loose ends of the headband accordingly. And you're done!

You can also use the supplied Easter Garland template and freshly picked flowers to further decorate your crown using double-sided tape.

# Easter Garland

Print a few copies of our Easter Garland template onto thin card stock.

Decorate with your **PILOT Pintor Paint Markers** using fun designs! Once you're happy with your art, carefully cut out each piece along their outlines.

Tape each piece to a length of yarn or twine as long as where you want to display it.

**PILOT Pintor Paint Markers** are available in **Extra Fine** (0.7mm), **Fine** (1mm), **Medium** (1.4mm) and **Broad** (8mm) tip sizes. For this project we used **Broad** tipped markers for large areas and **Medium** tipped markers for finer detail.
