PERMANENT MARKERS

FIVE-STAR QUALITY

**24hr
Cap-off
Performance**

CSP INK has a special formula – the tip will not dry up for a day without cap. (Primary performance under test condition)

Comparison of Performance		GOOD				
		1	2	3	4	5
SCA-100	Red	█	█	█	█	█
Product A	Green	█	█	█		
Product B	Pink	█	█	█		
Product C	Purple	█	█	█		
Product D	Blue	█	█	█		

Bullet tip / 23 / 50% (In-house test result)

Comparison of Colour		
	Red	Blue
SCA-400		
Product A		
Product B		
Product C		
Product D		

Bright and vivid ink colour makes the writing clearer and more visible.

Untreated OPP film (In-house test result)

**Vibrant
Colour**

**Strong
Surface
Adhesion**

PILOT Permanent Marker 100/400 writes on most surfaces and the writing stays longer there even when it is rubbed.

Untreated OPP film, 1 hour drying, Scratching x 10 times with 550gf (In-house test result)
