

Make your own Easter basket!

1. Print the template on an A3 piece of cardboard.
2. Colour in the easter basket using your Pop'lol pens.
3. Cut along the solid lines _____
4. Fold along the dotted lines — — — — —
5. To form the sides, fold the centre square inwards, bring in the two outer squares until they meet at a point. Join together with tape, glue or staples. Repeat for the other side.
6. Stick the handle to each side at the points.
